106 Book Instructions

This filing guide will assist you with completing your Colorado Income Tax Return. Please read through this guide before starting your return. Once you finish the form, file it with a computer, smartphone or tablet using our free and secure Revenue Online service at Colorado.gov/RevenueOnline. You may also file using private e-File software or with a paid tax preparer. You significantly reduce the chance of errors by filing your return electronically. If you cannot file electronically for any reason, mail the enclosed forms as instructed. All Colorado forms and publications referenced in this guide are available for download at Colorado.gov/Tax — the official Taxation website.

Any partnership or S corporation must file a DR 0106 for any year it is doing business in Colorado. A partnership or S corporation is doing business in Colorado whenever it meets the criteria set forth in Regulation 39-22-301.1. Partnerships subject to these requirements include any syndicate, group, pool, joint venture, or other unincorporated organization through or by means of which any business, financial operation, or venture is carried on, and which is not, for federal income tax purposes, considered a C corporation, trust, or estate.

A change or correction on your return must be reported on a corrected DR 0106 on Revenue Online. If filing on paper, mark the Amended Return box at the top of the corrected DR 0106. The corrected form must include all required schedules even if the schedule was submitted with the original return and has not changed.

Due Dates For Filing Return

The return is due to be filed the fifteenth day of the fourth month after the close of the tax year, or after the automatic six-month extension if applicable. See the extension payment instructions for further information. Calendar year 2019 returns are **due on April 15, 2020**.

Nonresident Partners and Shareholders

Partnerships and S corporations are required to ensure that its nonresident partners and shareholders satisfy their Colorado income tax liabilities resulting from the Colorado-source partnership or S corporation income. This is accomplished in one of three ways:

- File a composite return on behalf of the nonresident partners or shareholders. The tax due on the composite filing shall be 4.5% of the Colorado-source income of the partners or shareholders included in the composite return.
- Provide a completed DR 0107 for each nonresident partners or shareholders establishing that they will file a Colorado income tax return. The partnership or S corporation is responsible for collecting each DR 0107 and submitting them to the Department.

- Remit payment with a completed DR 0108 for each nonresident partner or shareholder. The required payment is 4.5% of the nonresident partner or shareholder's Colorado source income. A separate DR 0108 must be submitted for each partner or shareholder for whom payment is made. Submit no more than 50 DR 0108 forms with a single check.

You must indicate on Part III of this return which of these three filing requirements has been elected by each nonresident partner or shareholder. Refer to publication FYI Income 54 for additional information on composite filing, the agreement to file form DR 0107, and the withholding form DR 0108.

Information, FYI Publications and forms are available at Colorado.gov/Tax.

Declaration of Estimated Tax

Estimated payments are required if the tax attributable to any partner or shareholder included in a composite return is expected to exceed \$1,000. Such estimated payments should be remitted with form DR 106EP.

Distributions

Colorado modifications and credits are allocated to shareholders and partners in pursuant to applicable state law. Advise each Colorado partner, shareholder or member of their share of the partnership or S corporation modifications and credits. Advise each resident shareholder of their share of any income tax paid to other states by the corporation so they can compute the credit for tax paid to other state(s).

Apportionment of Income

Partnerships and S corporations doing business in more than one state must apportion their income as described below. This ensures income is reported to the state in which the income is earned and taxable. See publication FYI Income 59 for details regarding the following apportionment methods.

Partnerships

Income is generally apportioned in one of two ways:

- Single—sales factor
- Colorado—source income of nonresident individuals method

S Corporations

Income is generally apportioned using the single—sales method.

Not Apportioning Income — An S corporation doing business only in Colorado will source 100% of its income to Colorado.

Single—Sales Factor — All business income must be apportioned using the single-sales factor. Nonbusiness income may either be directly allocated to the appropriate state or treated as business income, subject to the single—sales factor apportionment. Complete and attach Part IV to your return if you are apportioning income using the single—sales factor apportionment method.

Colorado—Source Income of Nonresident—Colorado—source income apportioned under §39-22-109, C.R.S., is computed by including income that is determined to be from Colorado sources. Attach a schedule to form DR 0106 explaining how Colorado—source income was determined. Modifications may be sourced to Colorado only to the extent that the income to which they relate is sourced to Colorado.

Completing the DR 0106

Income

Line 1 Enter the ordinary income or (loss) from line 1 of federal Schedule K.

Line 2 Enter the total of all other income listed on federal Schedule K. For partnerships, this would be the total of the amounts entered on lines 2, 3c, 4, 5, 6a, 7, 8, 9a, 10 and 11 of federal Schedule K. For S corporations, this would be the total of the amounts entered on lines 2, 3c, 4, 5a, 6, 7, 8a, 9 and 10 of federal Schedule K. Also include any gain from the sale of assets subject to section 179 of the Internal Revenue Code that is not reported on Schedule K.

Modifications and Deductions

Line 3 Enter the Colorado modifications that increase federal income.

Enter any interest income (net of premium amortization) from state or municipal obligations subject to tax by Colorado. Do not include interest from obligations issued by the State of Colorado or a subdivision thereof.

Line 4 Sum of lines 1 through 3.

Line 5 Enter the allowable deductions from federal Schedule K. For partnerships, this would be the total of lines 12, 13c(2), and 13d of federal Schedule K; and for S corporations, this would be the total of lines 11, 12c(2), and 12d of federal Schedule K. Do not include amounts provided for informational pass-through purposes only (for example: domestic production activities deduction amounts).

Charitable contributions (line 13a, Schedule K, Form 1065, or line 12a, Schedule K, Form 1120S) and investment interest expense (line 13b, Schedule K, Form 1065, or line 12b, Schedule K, Form 1120-S) may be included on line 5 of the DR 0106, but only if a composite return is being filed for the 4.5% tax of the nonresident partners or shareholders. Report deductions that are directly related to business operations. Deductions that are not directly related to business operations may not be deducted as part of the composite return. Partners that wish to calculate and claim the benefit of these deductions must do so by filing individual Colorado income tax returns and may not be included in the composite return.

Line 6 Colorado Marijuana Business Deduction

For Colorado-licensed marijuana businesses, list any expenditure that is eligible to be claimed as a federal income tax deduction but is disallowed by section 280E of the Internal Revenue Code because marijuana is a controlled substance under federal law.

To calculate this deduction, you must create pro forma federal schedule(s) for Business Profit or Loss as if the federal government would have allowed the expenditures from the marijuana business. The Colorado deduction shall be the difference between the profit/loss as calculated on the ACTUAL schedule(s) filed with the federal return and the pro forma schedule(s) described above. You must attach both the pro forma schedule(s) and the actual schedule(s) to your Colorado return to receive this deduction.

Line 7 Agricultural Asset Lease Deduction. Enter the certificate number (YY-###) for the deduction certificate that was provided by the Colorado Agricultural Development Authority (CADA). If you received more than one certificate you must file electronically. Enter the amount of the deduction on this line. The amount of deduction allowed to a qualified taxpayer may not exceed \$25,000. You must submit a copy of each certificate with your return.

Line 8 To the extent of that which was included in the federal taxable income on line 4 of the DR 0106, enter the sum of the following:

- Any interest income earned on obligations of the United States government and any interest income earned on obligations of any authority, commission, or instrumentality of the United States to the extent such obligations are exempt from state tax under federal law.
- The modification for foreign source income of an export taxpayer. For purposes of this modification, an "export taxpayer" means:
 - 1.) any partnership which sells 50% or more of its products which are produced in Colorado in states other than Colorado, or in foreign countries; **or** 2.) if the gross receipts of such partnership are derived from the performance of services, such services are performed in Colorado by a partner or employee of the partnership and 50% or more of such services provided by the partnership are sold or provided to persons outside of Colorado. If a partnership qualifies as an export taxpayer, it may exclude for Colorado income tax purposes any income or gain which constitutes foreign source income for federal income tax purposes.
- To the extent included in federal taxable income, the excludable Colorado capital gain income eligible for the Colorado capital gain subtraction. See publication FYI Income 15 for information on which capital gains qualify for this subtraction.

Neither the C corporation foreign income exclusion or the partnership export taxpayer foreign source income modification may be claimed by an S corporation or passed through to its shareholders.

Colorado–Source Income

Line 11 Enter the Colorado-source income. If part of the income is not Colorado-source income, see the instructions for Apportionment of Income. The Colorado income tax statute provides that in determining the source of a nonresident partner's income, no effect shall be given to a provision in the partnership agreement which characterizes payments to the partner as being for services or for the use of capital. Thus payments to partners, whether salaries or interest, shall be construed to be from Colorado sources and taxable by Colorado in the same ratio as is the ordinary income of the partnership.

The partnership will not normally determine income from Colorado sources for any corporate partner as the corporation will include its share of the partnership's income and factors in its own income and factors subject to allocation and apportionment.

Composite Return

Complete lines 12 through 28 of the DR 0106 only if a composite return is being filed for nonresident partners or shareholders.

Line 12 Enter the Colorado-source income of the nonresident partners or shareholders who are included in the composite return.

Line 13 Enter 4.5% of the Colorado-source income reported on line 12.

Line 14 Enter the non-refundable tax credits from the DR 0106CR line 26, Column C that are allocated to the nonresident partners or shareholders included in the composite return. Do not include any amounts from Column B on this line. You must submit the DR 0106CR with your return.

Line 15 Enter the gross conservation easement credit available to the nonresident partners or shareholders included in the composite return from the DR 1305G line 33. You must submit the DR 1305G with your return.

Line 17 Net tax. Add line 14 and 15, then subtract this sum from line 13. The sum of 14 and 15 may not exceed the amount on line 13.

Line 18 Carefully review payment records before completing this line. Use Revenue Online (Colorado.gov/RevenueOnline) to verify estimated taxes paid on the account. Doing so will reduce processing delays. Enter the amount of credit for prepayments. Include the sum of the following on line 18:

- estimated tax payments for 2019; *and*
- any overpayment from 2018 that was carried forward to 2019; *and*
- extension payment(s) remitted with the DR 0158-N; *and*
- payments remitted with the DR 1079 to satisfy withholding requirements for the sale of Colorado real estate that closed during the tax year for which you are filing this return. You must submit the DR 1079 with your return.

Line 19 Enter the amount of withholdings reported on Form W-2G made on lottery or gambling winnings. This will not apply to most taxpayers. You must submit the W-2G(s) with your return.

Line 20 Enter the refundable tax credits from the DR 0106CR line 30, Column C that are allocated to the nonresident partners or shareholders included in the composite return. Do not include any amounts from Column B on this line. You must submit the DR 0106CR with your return.

Line 22 If 90% of the tax is not paid by the due date, you must add a delinquent payment penalty. The penalty is the greater of \$5 or 5% of the additional tax due for the first month of delinquency and 0.5% for each additional month up to a maximum of 12%.

Line 23 Interest is due on any unpaid tax balance paid after the due date. The interest rate is 6%, but increases to 9% for any amount unpaid after 30 days.

Line 24 The estimated tax penalty is computed for each partner or shareholder on form DR 0204. This penalty applies only when the tax due for an individual included in the composite filing is more than \$1,000. If this penalty is due, you must submit form DR 0204 for each individual who owes the penalty and include the total penalty on line 25. If you over compute your estimated tax penalty from what the Department calculates, any amount of overpayment of penalty will be refunded to you.

Line 25 Enter the balance due, including any penalty or interest due from lines 22, 23, and 24.

Line 26 If the credits on line 21 exceed the tax due on line 17, enter the amount of the overpayment on line 26.

Line 27 Enter the amount from line 26 you want to credit to next year's estimated tax.

Line 28 Enter the amount from line 26 you wish to have refunded.

Direct Deposit – You have the option of authorizing the Department to directly deposit these funds into your bank account. Otherwise, a refund check will be mailed to the address you have designated on this return.

Enter the routing and account numbers and account type. The routing number is 9 digits. Account numbers can be up to 17 characters (numbers and/or letters). Include hyphens, but do NOT enter spaces or special symbols. We recommend that you contact your financial institution to ensure you are using the correct information and that they will honor a direct deposit.

Intercepted Refunds – The Department will intercept your refund if you owe back taxes or if you owe a balance to another Colorado government agency or the IRS.

Paid Preparer Authorization

Mark the "Yes" box to allow the Colorado Department of Revenue to discuss this tax return with the paid preparer or designee who signed it. This authorization is valid for any period of time and can be revoked with a written statement to the Department. Revocations must declare

the return filing period and tax type, must designate that the Third Party Designee is being revoked and must be signed and dated by the taxpayer and/or designee. By completing this area of the return, the taxpayer is granting the designee the ability to:

- Provide any missing information needed for the processing of the return, *and*
- Call the Department for information about the return, including the status of any refund or processing time, *and*
- Receive upon request copies of notices, bills or transcripts related to the return, *and*
- Respond to notices about math errors, intercepts and questions about the preparation of the return.

This designation **does not** allow the third party to receive any refund check, bind the taxpayer to anything (including any additional tax liability), or otherwise represent the taxpayer before the Colorado Department of Revenue. In order to expand the designee's authorization, complete the DR 0145 Power of Attorney for Department-Administered Tax Matters and submit via Revenue Online.

In general, Colorado credits may be passed through from partnerships and S corporations to the partners or shareholders. Some credits may be claimed only by individuals, estates or trusts where others may be claimed only by C corporations. Other credits may be available to all taxpayers. Credits allocated to some partners or shareholders cannot be redistributed to other partners or shareholders. For example, if a partnership consisted of a C corporation and an individual, the individual partner's share of the partnership's new investment tax credit could not be claimed by the corporation even though the individual partner is not allowed to use it.

Credit For Tax Paid to Other States Colorado resident S corporation shareholders may claim credit for their share of any net income tax paid to another state by the corporation when the other state does not recognize the S corporation election. Complete a separate DR 0106CR for each state to which tax was paid. Advise each Colorado resident shareholder of his or her share of the corporate income from sources in the other state and his or her share of the tax paid.

Old Investment Tax Credit is 10% of the tentative current year federal internal revenue code section 46 credit on assets located in Colorado and may be claimed only by C corporations. (This would apply in the case of a partnership with a C corporation partner.) See guidance publication Corporate Income Tax Guide.

New Investment Tax Credit is basically 1% of the qualified investment in tangible personal property used in a trade or business in Colorado. This credit may be claimed only by C corporations. See guidance publication Corporate Income Tax Guide.

Business Personal Property Credit

The income tax credit for business personal property taxes is limited to \$18,000 of the actual value of your personal property that you paid tax on during 2019. This is different than real property, which is not eligible for this credit. If your actual value is less than \$18,000, you can claim the total amount of the assessment you paid, and you must include the assessor's statement(s) for which you are claiming the credit. To find your actual value, either look for it on your statement, or find your assessed value and divide it by 0.29.

$$\text{Actual Value} = \text{Assessed Value} / 0.29$$

If you own personal property whose actual value is above \$18,000 for which you were assessed, you can only claim the assessment on the first \$18,000 of the property in question. You will need to prorate your assessment with the following formula:

$$\frac{18,000}{\text{actual value}} * \text{assessment} = \text{allowable credit}$$

For example, if your assessment was \$2,000 for personal property tax paid in 2019, but your actual value was \$25,000, you would be permitted to claim \$1,440 (72% of the tax assessed or $(\$18,000 / \$25,000) * \$2,000$).

Please include a copy of your property tax statement for property tax paid in 2019.

***The Department strongly recommends electronic filing for taxpayers with enterprise zone credits. Failure to file electronically may result in delays processing your return.**

Note! There are two credits that are available for the preservation of historic properties and structures. Each credit has a different certification process and is subject to different limitations and qualification requirements.

The Historic Property Preservation credit (§39-22-514, C.R.S.) must be claimed on line 6 of the DR 0106CR. For more information on this credit, review FYI Income 1.

The Preservation of Historic Structures credit (§39-22-514.5, C.R.S.) must be claimed on lines 20 through 22 of the DR 0106CR. For more information on this credit, review resources available online from the Colorado Office of Economic Development or from History Colorado.
